Foreword . . .

It has been our aim to give to each of you something valuable in this issue of THE CAVALIER. If this volume portrays a true picture of life at Farmville High School, and if it will later in life bring back to you happy memories and pleasant associations, our efforts will not have been in vain. Our one desire is that the friendships made at Farmville High School and the love that we feel for our Alma Mater may be ever kept alive by this reminder.

Dedication . . .

To

Miss Elizabeth Burger

A THOUSAND YEAR-OLD DIARY

On a day in June 2040 A.D., an eminent archaeologist, digging in the ruins of a house near a town called Farnville, came across a box in which he found several articles. One of these which aroused his curiosity exceedingly was a small leather volume bearing the following inscription:

"I who am dead a thousand years,
And wrote this sweet archaic song,
Send you my words for messengers
The way I shall not pass along."

He recognized it as a chronicle of the school life of a girl who had lived back in the twentieth century; parts of it he published in this form—

SEPTEMBER 15, 1936—Dear Diary, Today I am a full-fledged high school student. We registered this morning and there are 60 of us. Since we are such a large class and the new building has not been completed, we are to occupy two small rooms back of the stage. Mr. "Bob" Brumfield and Miss Agnes Bondurant are our home room teachers.

OCTOBER 10, 1936—I can't understand why we have to be so good in school. We sent Mr. Hodgson a really stern petition about it; he politely but very firmly ignored it.

APRIL 12, 1937—We surely did have fun today on our picnic to Willis' Mountain. Those upperclassmen did look envious. (High school life isn't so bad, after all.)

SEPTEMBER 15, 1937—It starts again, I mean school. There are 57 of us this year and our home room teachers are Miss Smith and Mr. Massey. The girls from the College High joined us.

APRIL 14, 1938—Our first annual went to press today. Here's hoping we'll have one every year.

SEPTEMBER 15, 1938—I certainly was glad to see everyone again. It seems that we are doomed to separation—there isn't a room big enough for us. Miss Louise Bondurant and Mrs. Coon are our home room teachers.

APRIL 11, 1939—Betty Wilson won first place in the Latin Tournament for Class C Schools.

APRIL 15, 1939—Winfred Smith and Billy McIntosh were selected from the juniors to go to the Boys' State at V. P. I.

MAY 11, 1939—We gave the seniors a picnic on Willis' Mountain. (I'll never forget those hamburgers and the potato salad and that burnt arm!)

MAY 19, 1939—We had The CAVALIER dance. It was a great success; the decorations were in our school colors, black and orange. Those Home Ec girls know how to make punch and sandwiches.

SEPTEMBER 15, 1939—After ten years of work, we have at last reached our goal of seniorhood. I hate to think that it's the last year of our experiences as one class. There are forty-five of us in Mrs. Davis' room.

OCTOBER 31, 1939—We had a nice spine-chilling Halloween play with Jeanne, Blake, Jack, Kitty, and Frank having parts. At the dance after the play, Gordon Dudley and Caroline Smith were crowned king and queen of the festivities.

JANUARY 20, 1940—We woke up this morning to find no less than 27 inches of snow and drifts of over ten feet. I wonder how we'll get to school.

FEBRUARY 2, 1940—We stayed out of school for almost two weeks. The snow saved us from exams—temporarily.

MARCH 14, 1940—We had a heavy argument at school today deciding about caps and gowns for commencement. It will be the first time in the history of F. H. S. that they will be worn.

MARCH 29, 1940—The boys won the County Basketball Tournament.

APRIL 19, 1940—A lot happened today. The Glee Club went to the Music Festival in Richmond. The names of the Honor Graduates were announced in chapel: Horace Adams, Jr., Mary St. Clair Bugg, Hannah Lee Crawford, Rosa Lee Duke, Harriet Farrier, Lee Foster, Marie Green, Kitty Magann, Louise McCorkle, and Betty Wilson. They have an average of ninety and above for the four years of high school.

APRIL 20, 1940—Blake and Horace went to Williamsburg to enter the State Chemistry Contest. Ruth Warwick was the only senior in the State French Contest at S. T. C.

The one-act play, "The First Dress Suit," put on by the Dramatic Club and coached by Mrs. Davis, won the cup in the play contest.

MAY 3, 1940—The juniors gave us a grand party. We really had lots of fun. That old gym surely had a transformation.

MAY 17, 1940—"Peg O' My Heart" has always been a favorite and is more so now after our dramatic club's presentation.

MAY 26, 1940—Our baccalaureate services were at the Baptist Church. It was serious, and we are getting an idea of just how serious this business of graduating really is.

MAY 31, 1940—We graduated tonight. Mr. Gum gave us some inspiring thoughts and our student speakers were Betty Wilson, Hannah Lee Crawford, and Horace Adams, Jr. It would have all been more enjoyable if we had been able to forget that our commencement terminated our experiences as one group.

It's a lost feeling now. We haven't said much about it, but we sincerely appreciate everything that has been done for us in making our school life so happy and complete, and we are always going to do all we can to further the aims and ideals of our own FARMVILLE HIGH SCHOOL.

BY KITTY MAGANN, *Class Historian.*

THE LAST WILL AND TESTAMENT

We, the Senior Class of Farmville High School, in the year nineteen hundred and forty, being of sane mind with striking generosity and good will, do declare the following as and for our Last Will and Testament:

To the entire faculty, we bequeath many classes like last year's senior class, and express our regrets that we were not always able to uphold the high standards of the class of thirty-nine.

To MR. RAMSEY, a class completely devoid of any members that might try to "trisect" an angle.

To MRS. DAVIS, a home room that will "shut up" long enough for her to get in a word edgewise.

To MISS LOUISE BONDURANT, a Civics Class that will not gather outside the door just before the last bell to learn the day's lesson.

To MRS. COON, a study hall that will get there in time to get their noses in before the door is closed on them as the bell rings.

To MISS HANKLA, pupils who will allow her to enter public places undisturbed.

To MR. GILMER, a station wagon to relieve the strain on his car.

To MISS AGNES BONDURANT, a new basketball team that will follow instructions.

To MR. MOYER, a boys' Glee Club that will do something besides quit.

To MISS MARTHA, a dignified senior class that will set an example for the underclassmen when they have study hall in the library.

To MISS SIMPSON, a class that doesn't wait until Friday morning to begin working on their home projects.

To MISS BURGER, a new set of chemicals that won't explode in her face.

HAMPDEN-SYDNEY COLLEGE

1776-1940

A Christian college for men where the chief concern is the welfare of the individual student. To this end a sincere effort is made to keep athletics a game, social life wholesome, scholarship high, and spiritual value real. Owing to the fact that the college has been unable to accommodate all who have applied, those interested are requested to enroll as early as possible.

FIGHT AS YOU CAN

You're sick of the game . . . well, now, that's a shame,
You're young, you're brave and you're bright,
You've had a raw deal, I know, but don't squeal,
Buck up, do your hardest, and fight.
It's the plugging away that will win the day,
So don't be a piker, old pard,
Just draw on your grit . . . It's so easy to quit,
It's the keeping your chin up that's hard.
